WHAT IT'S FOR

At-home comfort
A 50" × 60" throw for the sofa, the den, or a quiet evening in.

Gifts & memberships
A textured, branded thank-you that still has a use long after the event.

Welcome kits
A keepable piece for hospitality, corporate, or club programs.

A stitched-in mark
Embroidery or a laser patch that shows whenever the throw is out.

Everyday lounging
A soft throw people reach for — and keep your mark in the room.

WHY IT WORKS

01 A mark that stays put
Embroidery or a laser patch puts the brand on the throw.

02 A 50″ × 60″ size
A 50" × 60" geode-texture throw for the sofa, a welcome kit, or a gift.

03 A geode-inspired texture
A textured plush ground with an embroidered or laser-patch logo.

04 100% polyester
A promotional-ready fabric for programs that need a quality hand and a clean mark.

05 No setup charge, ready in 10–15 business days
Fast to quote and easy to turn around.

06 Packed for programs
Ships vacuum sealed or in bulk.

THE PLUS

Campaign idea. A hospitality program, a spa gift, or a membership kit can put a mark on the plush face so the throw works at home and in a photo.

Design tip. Send a clean, high-resolution mark for embroidery or a laser patch. Official photos show a geode-inspired plush face. A custom PMS dye is available.
